to modern. It's a great fit for everything from modern farmhouse to Hollywood glam," says Jeff Silverstein, California Faucets President and CEO.

"A blend of curves and lines, Strathmore's classic contemporary design reflects the 'casual-yet-luxurious' vibe of Southern California," explains Christopher Grubb, President/Founder of Arch-Interiors Design Group, who has been designing elegant bathrooms for residential, commercial, hospitality, and healthcare facilities with his signature architectural flair for over 25 years.

A seemingly small shower detail, Strathmore is big on versatility as well as style. Architects, designers, and homeowners have a choice of 28 finishes, including ultra-durable, non-tarnish Physical Vapor Deposition (PVD) finishes, to make a stylized statement in the shower. Made of solid brass, the durable design won't bend underfoot. Plus, with no visible or protruding screws, all StyleDrain designs are comfortable to stand on.

Measuring 5¼" sq., Strathmore StyleDrain lists from \$239 in Polished Chrome to \$382 in a premium finish such as Black Nickel. The drains are suited for both indoor and outside applications.
