# California Faucets Rolls out Wheel Handles for Descanso® Bath Collection

Inspired by authentic mid-century valve handles, the Wheel Handle complements the light industrial vibe of this popular series

Descanso arc faucet with Red Wheel Handles

Descanso arc faucet with Matte Black Wheel Handles

(Huntington Beach, CA, April 30, 2021) California Faucets enhances the “industrial chic” style of the popular **Descanso**® bath series with a new **Wheel Handle** option. Harkening back to the cool vintage vibe of mid-century valve handles, the new Wheel Handle is an incomparable ergonomic and aesthetic choice. A spoked wheel design and comfortable scalloped edge make the wheel easy to grip and turn. Plus, the Wheel Handle is available in a dramatic new **Red** powder coat finish, adding yet another striking finish option for the Descanso series.

“We treasure-hunted for old valves and had countless samples shipped to us as inspirations as we homed in on the final design. The result is a perfect blend of practical function and industrial edge,” says Jeff Silverstein, California Faucets CEO.

**Descanso low profile faucet with Red Wheel Handles**

**Descanso low profile faucet with Matte Black Wheel Handles**

California Faucets developed the new Red powder coat finish specifically for the new Wheel Handle design. The fire engine red hue adds a “mechanical” feel, calling to mind industrial pipes. **Matte Black** is another finish that’s particularly striking in the Wheel Handle design, not to mention trending in today’s interiors. While black and red may be the most dramatic finish choices, designers and homeowners may still select from more than 28 artisan **finishes**, including 14 **PVD** (Physical Vapor Deposition) finishes with a lifetime warranty against tarnishing.

The Descanso series lavatory faucet with Wheel Handle, and all coordinating products, are made with California Faucets’ signature solid brass construction. In addition to the widespread faucet with a choice of 6" arc spout or 5-7/16" low profile spout, Wall or Deck Handle Trim handles are also available, giving designers and architects everything they need to continue a cohesive look throughout shower and tub as well.

Pricing starts at \$749 for the Descanso 8" Widespread Lavatory Faucet with Wheel Handle in Polished Chrome.

### **About California Faucets**

At California Faucets we believe in **artisan hands**, not mass production. Since 1988, our factory in Huntington Beach has manufactured handcrafted bath products available in 28 **finishes** that can be easily customized or purchased exactly as shown in our catalog. We proudly provide the latest in bath and shower technology with innovations such as **StyleDrain®**, **StyleTherm®**, and **ZeroDrain®**. These groundbreaking innovations turn utilitarian products into beautiful design statements and are the heart of our ever-evolving line of bath faucets, shower fittings, luxury drains, and accessories. We’ve also applied the same handcrafted quality and custom options to a full line of kitchen faucets. Our **Kitchen Collection** combines Italian design with California craftsmanship and offers a full range of matching accessories for a thoroughly coordinated look. For more information about California Faucets call 800-822-8855 or visit **CaliforniaFaucets.com**.
