California Faucets' Libretto Single Lever Faucet Blends Geometric Shapes in Perfect Harmony

Featuring a cylindrical body poetically paired with a rectangular spout, Libretto brings a softer side to today's modern bath design

Libretto's modern simplicity blends geometric shapes in perfect harmony

(Huntington Beach, CA, September 9, 2021) The latest addition to California Faucets' popular European-inspired "E" collection, **Libretto** hits all the right notes in today's coveted modern style of décor. Clean and minimal with a twist, the single lever faucet blends lines and curves, bringing out the softer side of contemporary design. With a unique rectangular spout, the solid brass faucet delivers water in a vertical sheet for a cool "waterfall" effect, enhancing a sense of spa-like luxury. Available in two sizes and 28-plus artisan finishes, Libretto adds a warm touch to sleek, modern bath designs.

"It's Mies van der Rohe's cube-centric style meets Zaha Hadid's famous architectural curves," says Noah Taft, California Faucets Chief Marketing Officer. "Modern design can sometimes feel cold, stark, and angular, but Libretto's blending of cylindrical and rectangular shapes feels warm and familiar," Taft adds.

Joining the already popular European-inspired collection that includes Bel Canto (E3 Series) and Arpeggio (E4 Series), Libretto comes in a 12-5/16" size as well as a more compact 6-3/8" size. Like all California Faucets series, Libretto offers a full line of bathroom products, enabling designers and homeowners to perfectly coordinate the look throughout the bath. Accessories include standard shower and StyleTherm® Trim, Wall Tub Spouts, and Bidet sets.

The Libretto Single Hole Lavatory Faucet starts at \$659 for a 6-3/8" faucet in Polished Chrome.
