California Faucets Raises the Bar on Style

Extensive new line of single-hole faucets featuring a sleek side-handle, two height options, and a multitude of handle designs means streamlined beauty for the bar sink and beyond

California Faucets 10" Single Hole Bar Faucet with Knurled Handle in Satin Bronze finish

(Huntington Beach, CA, September 29, 2022) **California Faucets** presents its most robust and complete lineup of **bar faucets** to date. Featuring a simplified single-hole design, convenient side handle with 25 handle options to choose from, and two available sizes, there is a perfectly coordinated bar faucet for virtually every kitchen and bath series the company offers. An alternative to bulkier lever handles typically used for single-hole faucets, the side handle is positioned close to the stem, making the unobtrusive profile ideal for bar sinks, prep sinks, powder rooms, or anywhere space is a premium.

"Whether you wish to coordinate your bar faucet with one of our award-winning kitchen or bath designs or make a unique statement at the wet bar, we've got you covered," says California Faucets CEO Jeff Silverstein. "The versatile collection expands the breath of both our kitchen and bath product offerings. And the endless combinations mean a match for virtually every faucet series we have on the market," adds Silverstein.

Aesthetically speaking, the array of handle choices means homeowners and designers can meet a very wide range of styles including classic, modern, transitional, Art Deco, and even a steampunk design. And like the rest of California Faucets award-winning designs, the solid brass bar faucets are available in over 25 artisan finishes, including 12 PVD finishes that come with a lifetime warranty against tarnishing.

Though the collection was specifically designed to complement the home wet bar, it's also a go-to for those in the market for a sleek, clean faucet anywhere in the home. From the bath or powder room to kitchen prep sink, the streamlined shape is versatile enough to work virtually anywhere in the home. Plus, with a choice of two sizes, 10-in. and 14 5/16-in., you can be assured of just the right height for the desired function.

The side-handle single-hole bar faucet starts at \$595 for a 10-in. height in Polished Chrome.

About California Faucets

At California Faucets we believe in **artisan hands**, not mass production. Since 1988, our factory in Huntington Beach has manufactured handcrafted bath products available in 25+ **finishes** that can be easily customized or purchased exactly as shown in our catalog. We proudly provide the latest in bath and shower technology with innovations such as **StyleDrain®**, **StyleTherm®**, and **ZeroDrain®**. These groundbreaking innovations turn utilitarian products into beautiful design statements and are the heart of our ever-evolving line of bath faucets, shower fittings, luxury drains, and accessories. We've also applied the same handcrafted quality and custom options to a full line of kitchen faucets. Our **Kitchen Collection** combines Italian design with California craftsmanship and offers a full range of matching accessories for a thoroughly coordinated look.
