California Faucets Vice President of Sales Steven Weinberg Inducted into DPHA's Council of Fellows

Recognized for his outstanding achievements and dedication to the plumbing industry, Weinberg joins an exclusive group of honorees in the decorative plumbing and hardware industry

(Huntington Beach, CA, December 7, 2022)

Longtime plumbing industry veteran and California Faucets Vice President of Sales Steven Weinberg was recently inducted into the Decorative Plumbing and Hardware Association's (DPHA) Council of Fellows. The Council recognizes those whose achievements reflect the organization's tradition of innovation and defying convention, representing some of the best minds in the organization and in the decorative plumbing and hardware industry.

"Steven's honor comes as no surprise to us here at California Faucets," says CEO Jeff Silverstein. "His warm and helpful personality, combined with his unparalleled expertise and unyielding sense of loyalty and commitment make Steven truly one-of-a-kind."

A past DPHA President and member of the organization's board of directors, Weinberg has held positions in nearly every aspect of the industry including decorative showroom owner, independent sales representative, and manufacturer.

The Council of Fellows inductions took place in early November at the association's annual conference. The ceremony was led by DPHA Emeritus Executive Director and very first Council of Fellows inductee, Jim Babbitt.
