Surf the Next Wave of Bathroom Style with California Faucets' New Single Handle Wall Mount Collection

A stylish alternative to deck mount faucets, the single handle design offers a refreshingly cool, streamlined look for today's popular space-saving wall mount designs

(Huntington Beach, CA, March 29, 2023) California Faucets expands on its already robust collection of **Wall Mount** lavatory faucets with its most minimalist designs yet. The new Single Handle Wall Mount Lavatory Faucets pack big style into a leaner package while conserving valuable countertop space. Designers looking to catch the next epic style wave can now find one of these sleek single handle designs in every one of the company's faucet

series. With designs ranging from traditional and transitional to industrial and contemporary, the only limit is your imagination.

“Look Ma, just one handle!” quips Noah Taft, California Faucets Chief Marketing Officer. “By adding this broad new lineup of single handle wall mount faucets to our existing two-handle versions, we’re giving designers and homeowners alike virtually unlimited options in style,” Taft adds.

Besides creating a sleeker, more minimal look at the sink, wall mount faucets free up coveted countertop space. As more homeowners lean-in to tidier streamlined style at the bathroom sink, they are opting for wall mount styles. In compact powder rooms and spacious en suites, the single handle designs are an eye-catching centerpiece in any space.

California Faucets’ flexible and wide array of single handle wall mount lavatory faucets means that designers can find the precise style that meets their design vision. Options include retro-inspired industrial looks like Descanso and Descanso Works as well as streamlined, contemporary styles including D Street and Bel Canto. The collection also defies stereotypes of traditional design being “fussy” with the sleek single handle lending a touch of refreshing simplicity to California Faucets popular classic designs. Classic looks range from Montecito and Salinas to transitional styles from Rincon Bay to Miramar. Plus, each design is available with a complete line of coordinating accessories, including shower controls, tub fillers, towel bars, robe hooks, and much more. The deep variety of choices allows you to blend endless personal style throughout the entire space.

Like all of California Faucets kitchen and bath fittings, the entire array of new single handle wall mounted bath faucets is constructed of solid brass. Each design can be customized in any of 25-plus artisan finishes, including PVD finishes that are guaranteed against tarnishing.

Pricing for single handle wall mount faucets starts at \$429 for most styles in Polished Chrome.

About California Faucets

At California Faucets, we believe in **artisan hands**, not mass production. We’ve been designing, finishing, and assembling solid-brass bath products at our Huntington Beach factory since 1988. Available in 25+ artisan **finishes**, every faucet can be easily customized or purchased exactly as shown in our catalog. Our popular bath collections proudly provide the latest in bath and shower technology with innovations such as **StyleDrain®**, **StyleTherm®**, and **ZeroDrain®**. These groundbreaking innovations turn utilitarian products into beautiful design statements and are the heart of our ever-evolving line of bath faucets, shower fittings, luxury drains, and accessories. We’ve also applied the same handcrafted quality and custom options to a full line of kitchen faucets. Our **Kitchen Collection** combines Italian design with California craftsmanship and offers a full range of matching accessories for a thoroughly coordinated look.
