“Descanso Works® features a valve-style Lever handle that’s drawn from the look of authentic mid-century design. More than just a random retro-inspired detail, the new design delivers premium luxury, ergonomics, and plenty of personality.”

—Noah Taft, California Faucet’s Chief Marketing Officer

The sturdy yet easy-to-turn Lever handles hark back to the types of mechanical valves used in the 1930s and ‘40s. Options abound with Descanso Works, which features an array of distinctive models that combine pull-down kitchen, prep and bar faucets with squeeze or button sprayers in high arc, low arc, or quad spout designs. Also offered in the series is a dual-handle, wall-mount pot filler to further enhance the coordinated look.

Series accessories include single-handle hot, cold and combination hot-and-cold water dispensers with ball lever handles, a soap dispenser, air gap and disposer switches. A variety of cabinet pulls and knobs in complementary designs create even more opportunity to create a complete customized look in the kitchen.

All Descanso Works solid-brass constructed kitchen options are available in any of California Faucets 25-plus artisan finishes, including ultra-durable PVD finishes that are guaranteed not to tarnish. Pricing for the Descanso Works® pull-down kitchen faucet starts at \$1,275 for a high-arc style in Polished Chrome.
