# California Faucets CF Limited™ Series Offers Entry-Level Luxury for the Kitchen

Featuring a sleek design and conveniently concealed pull-down sprayer, CF Limited offers artisan quality craftsmanship at a more accessible price point

(Huntington Beach, CA June 6, 2024) For those who desire the fine design, high quality and artisan-finished beauty of a luxury kitchen faucet, but at a more moderate price, California Faucets presents the CF Limited™ Series. Like all California Faucets products, CF Limited is made of solid brass. Sleek and streamlined, the kitchen faucet features a concealed dual function pull-down sprayer and choice of **Stick** or **Blade** handle. Available in Polished Chrome, Satin Nickel, and Matte Black, the series is in stock and ready to ship.

**With conveniently concealed pull-down sprayer, sleek CF Limited™ kitchen faucet offers entry level luxury**

"A notable step up in both quality and style from the mass-produced kitchen faucets flooding the marketplace, CF Limited is a great 'entry level' luxury faucet," says California Faucets CEO Jeff Silverstein. "The series offers much better craftsmanship and performance than the big national brands, yet does so at a competitive price," adds Silverstein.

Like all faucets in the company's **Kitchen Collection**, the CF Limited series features Italian-inspired design with made-in-California craftsmanship. Standing 15-inches tall, the sleek silhouette, which includes a blend of curves and subtle corners, conceals a highly coveted pull-down sprayer. Easily released from the spout by gently pulling, the sprayer offers a steady aerated stream or a wider spray function to make kitchen clean-up a breeze.

To personalize the faucet design, homeowners can choose between a delicate-yet-sturdy Stick handle or a more substantial Blade option—both of which allow for easy and ergonomic use. The variety of available finishes (Polished Chrome, Satin Nickel, and Matte Black) allows the series to blend perfectly with today's most popular décor styles. And just like all Kitchen Collection designs, the CF Limited series includes an array of coordinating accessories from soap dispensers and air gaps to garbage disposer air switches and cabinet hardware.

In stock and ready to ship, pricing for a CF Limited series kitchen faucet starts at \$759 in a Polished Chrome finish.
