California Faucets Presents Sleek and Versatile Cayucos[®] Series

With the combination of slim Cross or Lever handles and a choice of three spouts—including its signature low spout look—Cayucos brings a fresh new look to the modern bath

Cayucos Series from California Faucets in Satin Nickel finish, featuring sleek Low Quad Spout and slim Lever Handles

(Huntington Beach, CA, February 25, 2025) California Faucets proudly introduces the **Cayucos[®] Series**. Perfectly combining design and performance, the new series features a sleek Low Quad Spout and elegantly slim handles, making it a versatile choice for a wide range of bathroom environments, from contemporary to transitional. The design's easygoing minimalist aesthetic, inspired by the laid-back beach vibes of the charming coastal town of Cayucos, also makes it the ideal choice for creating one of today's popular spa-inspired bath designs. In addition to its look, users will love the Low Quad Spout design, which directs water straight down for a cleaner, splash-free experience and pairs beautifully with chic Cross Handles or sleek ADA-compliant Lever Handles.

Cayucos with Cross Handles and High Quad Spout

"When Leonardo DaVinci said 'simplicity is the ultimate sophistication,' he must have been thinking about Cayucos," quips California Faucets Chief Marketing Officer Noah Taft. "It's a simple design that stands out without making a fuss," Taft adds, noting the design is accentuated by beautiful, high-quality brass and artisan finishes that are hand-applied in the company's Huntington Beach factory.

While the Low Quad Spout embodies high style, the versatile new series includes two additional spout options to ensure just the right configuration. Designers and homeowners can select a Medium Arch spout, which adds shapely curves to the sleek design, or a High Quad spout for a taller, more statuesque look. Multiple handle options, including lever, cross, and the company's new colored porcelain, mean even more opportunities for personalization. Besides the deck-mount design, Cayucos is offered in a wall-mount style with the same minimal modern profile for added flexibility.

Crafted from high-quality solid brass, the Cayucos Series faucets come in over 25 artisan finishes, including PVD finishes that resist tarnishing. This means they can seamlessly fit into any color scheme you have in mind. Plus, a collection of matching accessories, including handshowers, grab bars, Roman tub sets, shower handles, towel bars, robe hooks, and more, carry the streamlined look throughout the bath.

List pricing for the Cayucos Series widespread Low Quad Spout faucet begins at \$899 for Polished Chrome finish.
